## **BACKGROUND**

The current State WIA Plan was approved and went into effect July 1, 2005 for the period of July 1, 2005 through June 30, 2007. The WIA plan was then extended to June 30, 2009. Due to the federal Recovery Act provisions, the state WIA plan was required to be modified and resubmitted for the period of July 2, 2009 through June 30, 2010.

The Final Rules, Section 661.345 and 661.350 prescribe the preparation, contents, submission and review of the Local WIA Plans, which must be consistent with the State WIA Plan. These Local Plan Instructions incorporate the contents required by the Final Rules as well as the other information required by the State.

## **POLICY**

Local areas are to complete their Local WIA Plans in accordance with these Local Plan Instructions in order to continue implementation of their programs and to continue to qualify to receive WIA formula funds.

## **PROCEDURES**

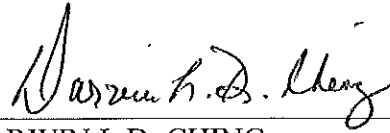

Timelines and procedures for the preparation and submission of the Local WIA Plan are included in the Local Plan Instructions.

## **CHANGE 1 ADDITIONAL INFORMATION**

The LWIBs do not need additional approval to implement the corrected performance measurement for Older Youth Average Earnings Change. The LWIBs will not be required to re-submit local plans to the WDC for re-approval. However, the USDOL approved performance measurement for Older Youth Average Earning Change will be the correct measurement performance will be graded upon. The attached Instructions contain the corrected amount on Page 12.
